

## IS THIS PROGRAM FOR YOU?

- Come join us for a day filled with **TOOLS & TECHNIQUES** that can reinforce your worth. Hear from the **EXPERTS**.
- Is your facility in **compliance** with the CMS changes for Phase 1?
- Are you ready for **ready to implement** Phase 2 of the CMS changes for November 28, 2017?
- How to have a **successful survey**. Now is the time to gain more resources to assure a smooth survey process.
- Many factors make inspections challenging, and may threaten the health and safety of employees and clients. Mitigation strategies can make food protection as easy as 1-2-3!
- Understand potential side effects of psychotropic medications. And **practical solutions** that can counteract the problem.
- Increase your understanding of the etiology of dementia and the varying stages and how they affect taste and appetite.
- Familiarize yourself with current legislation that may affect our professions.
- And ... don't forget. The person sitting next to you at this conference may be the connection to your next job opportunity.
